# About the Mulberry Schools Trust

**The Mulberry Schools Trust believes in the power of education to bring about lasting social change.**

We aim to ensure outstanding achievement for all by providing our students with the knowledge and skills to become successful, confident individuals capable of making valuable contributions to their communities and society. Our curriculum, character education and enrichment activities focus on intellectual, spiritual, moral, social, cultural and physical development to enable students to lead successful, happy and fulfilled lives, contributing to their own community and to wider society.

Mulberry schools sit at the heart of their communities. Place matters and so leadership is context-responsive. We celebrate diversity and inclusion. We aspire to excellence. We are entrepreneurial, with a rich extra-curricular offer in our Mulberry Changemaker programmes. Together, we build a bright future for every child in our care.

## **FIGHTING FOR EQUALITY**

We have an unwavering commitment to equality in our schools, and in our community.

# OUR HISTORY IS IN THESE STREETS.

FROM ACROSS THE GLOBE,  
AND FROM ACROSS TIME,  
we have found ourselves here,

IN THE EAST OF THE CITY,  
**THE SOUL OF  
LONDON ITSELF.**

WHETHER OUR FAMILIES HAVE  
BEEN HERE FOR CENTURIES,  
or whether we have just arrived,

**ALL OF US HAVE  
MADE OUR  
HOMES HERE.**

## THE ROOTS OF OUR SCHOOLS

We are deeply rooted in the communities we serve across the borough.

WE ARE A  
THOUSAND  
COMMUNITIES,  
**AND WE**  
**ARE ONE**  
COMMUNITY,  
SHOULDER TO SHOULDER,  
SIDE BY SIDE  
AS WE BUILD OUR  
**FUTURES**  
**TOGETHER.**

## CREATIVE AT HEART

We foster every child's inherent creativity through the arts, which sit at the heart of our schools.

## **RIGHTS RESPECTING SCHOOLS**

We encourage our young leaders to stand up for what they believe in, to create a harmonious and prosperous society for all.

# THE FUTURE.

IT IS WHAT UNITES US ALL.

The hope for a brighter tomorrow for ourselves, and for our children.

**IT IS WHAT BRINGS US THOUSANDS OF MILES TO FIND A NEW HOME.**

It is what pushes us to

**BUILD HIGHER,  
TO GO FURTHER,**

**TO EXPLORE NEW IDEAS  
AND MAKE NEW CONNECTIONS.**

To learn from one another and

**TO MAKE OUR COMMUNITY**

**EVER STRONGER.**

**TO HELP OUR CHILDREN  
GO FURTHER THAN  
WE EVER COULD.**

## CARING FOR OUR COMMUNITY

Many of our young people choose careers in medicine and health care, reflecting our commitment to our community's wellbeing.

**SCHOOLS ARE  
PLACES OF  
ENDLESS  
POSSIBILITY,**  
where friendships are MADE,  
opportunities are opened up, and  
new civilisations are forged. From  
across the world, and across time,  
we have arrived at this place.  
**THIS IS WHERE WE  
WILL DECIDE WHERE  
WE ARE GOING,  
TOGETHER.  
OUR FUTURE  
IS WITHIN THESE WALLS.  
THIS IS WHERE WE WILL  
BUILD A NEW DAY.**
